Behind every great institution is a vision - one that dares to educate, elevate, and empower. At the heart of the Tasgaonkar Group of Institutions, our leaders carry that vision forward with unwavering dedication. Their guidance has not only shaped infrastructure but nurtured intellect, resilience, and purpose across generations of students. Here's what they have to say as we chart new horizons together.

**Dr. Nandkumar Y. Tasgaonkar**  
Chairman, Saraswati Education Society (SES)

In 2003, we laid the foundation stone of our first engineering college (YTIET) with a single yet powerful belief - that quality education should reach every deserving student, especially those from rural and semi-urban areas. Today, that belief has blossomed into a thriving ecosystem of institutions under the Tasgaonkar Group - spanning Engineering, Medical Sciences, Pharmacy, Physiotherapy, Nursing, Ayurveda, Diploma, and School Education.

But our journey has never been just about infrastructure or numbers. It's about lives transformed, minds ignited, and futures secured. At TGI, education is not merely academic - it's a pathway to character, discipline, innovation, and service.

Looking ahead, our vision expands even further - with the establishment of a Homeopathy College and a dedicated hospital underway, we aim to redefine integrative healthcare education. Our mission is clear: to craft a center of excellence where traditional knowledge meets modern science, and students evolve into not just professionals - but changemakers.

To every student and parent who has placed their trust in us - thank you. As we grow together, may your journey be guided by learning, rooted in values, and destined for greatness.

**Mrs. Mrudal Tasgaonkar Kulkarni**

Director - Corporate,  
Saraswati Education Society (SES)

Education, to me, has always meant discovering your voice, exploring your potential, and daring to dream. At the Tasgaonkar Group of Institutions, I've seen how a nurturing environment can unlock incredible possibilities - in the classroom and beyond.

In my role as Director - Corporate, I constantly ask: How can we better support every student? Whether it's enhancing placement support, building industry alliances, or creating spaces for creativity and leadership - every initiative is designed to empower our learners for life, not just for exams. It fills me with pride to see students transform into confident professionals who carry forward not just skills, but values. We're not just building institutions - we're building futures with heart, care, and courage.

I invite every student to lean into their journey with excitement, to make the most of the opportunities before them, and to remember that they are seen, supported, and capable of greatness.

It is an honor to lead an institution that exemplifies excellence across every domain of learning - from Engineering and Medicine to Ayurveda, Pharmacy, Physiotherapy, and beyond. At the Tasgaonkar Group of Institutions, our mission is unified: to prepare students not just for careers, but for meaningful, values-driven lives.

We've made strategic strides this year - our Pharmacy College (YTIP) earned a prestigious NAAC A Grade, and our newly launched Ayurveda College (VNTAMV) and Jeevak Ayurved Rugnalaya further reinforce our commitment to holistic health education.

As we move forward, our focus remains on fostering an environment where academic rigor meets emotional intelligence, where innovation thrives, and where every student feels ready to take on the world.

With every achievement, we stay grounded in our core values: transparency, progress, and student-first growth. I promise to continue driving initiatives that create not just employable graduates - but exceptional, responsible citizens of tomorrow.

**Mr. Parag Ola**

CEO, Tasgaonkar Group of Institutions  
(Chandhai Campus)

## **Yadavrao Tasgaonkar Institute Of Engineering And Technology - Chronicle 2025**

This year's edition of the Yadavrao Tasgaonkar Institute of Engineering and Technology College Magazine is a vibrant reflection of the energy, achievements, and dreams that define our campus life. From groundbreaking innovations and industry partnerships to cultural celebrations and community outreach, every section captures the pulse of a student body that's constantly evolving.

Dive in, get inspired, and witness the spirit of YTIET - where every moment is a step towards excellence.

### **College News**

#### **Upcoming Events & Strategic Partnerships**

YTIET continues to expand opportunities for students through placement drives and industry collaborations:

- Placement Drives: In association with QualityKiosk Technologies, Prowess ERP, JobBuzz, Synechron (via PCET's Central Placement Cell), Leaping Frog Consulting Pvt. Ltd., Anudip Foundation, Imarticus Learning, HCL Technologies Pvt. Ltd., Edubridge and SR Consultant.
- New MoU Signed: With Vasai-Virar Municipal Corporation, Mumbai, fostering future academic and civic collaborations.

### **Innovation At YTIET**

We proudly announce YTIET's active participation in the YUKTI Innovation Challenge (YIC) 2025, a flagship initiative by the Ministry of Education, Government of India. This national platform empowers student and faculty innovations and strengthens our institutional commitment to entrepreneurship and research.

## State Level TechFest 2025: A Grand Confluence of Talent

TechFest 2025 was a massive success with over 500 students from 50+ institutions across Maharashtra showcasing their technical skills. Events included coding challenges, robotics, paper presentations, and more.

Industry experts like Dr. Chandrashekar Padole (IBM) and Dr. Nandkumar Tasgaonkar inspired attendees through keynotes. Winners received trophies and certificates, celebrating their creativity and practical expertise.

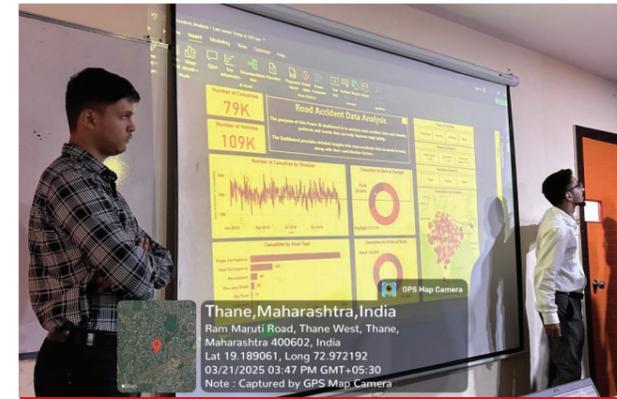

## Professor Spotlight

MoU with Imarticus Learning Pvt. Ltd.

A significant collaboration to provide YTIET students with training, certifications, and internship opportunities in fields like finance, tech, and analytics.

Faculty Excellence & Research Impact

Our faculty at YTIET continuously contribute through research, innovation, and student mentorship:

FDPs Attended: 22

Research Papers Published: 14

Books Published: 1

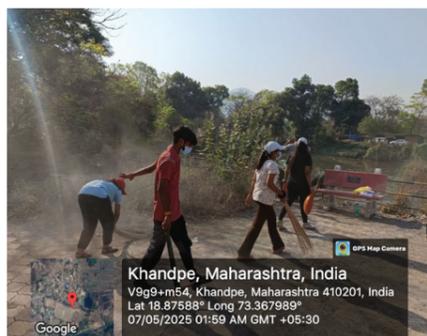

STTP Organised: 1

Notable Achievement: Prof. Harish Barapatre awarded Ph.D. in Computer Science for research on predictive analytics using MongoDB.

Publications: Contributions in Springer, IEEE Xplore, and UGC-CARE listed journals.

Teaching Innovations: Implementation of Project-Based Learning and industry-integrated labs for final-year students.

## Student Spotlight

NSS 7-Day Special Residential Camp 2025

Held in Khandpe Village, Karjat from March 17-23, 2025, the NSS Camp promoted cleanliness, health, and national development with over 50 volunteers actively participating under the guidance of Prof. Dhananjay Labde.

Karate Champion: Vedant Karndikar

Vedant Karndikar from TE Computer brought pride to YTIET by securing a State-Level Prize in the Karate Open Championship. His dedication sets a remarkable example for peers.

TGI Sports Fest 2025: Spirit, Strength & Sportsmanship

An inter-college sports festival featuring track and field, football, cricket, chess, carrom, and more. The event fostered teamwork, leadership, and sportsmanship. TGI Sports Fest 2025 truly embodied the motto – "Play with Passion, Win with Honour."

## Events & Activities

World Environment Day 2025

Celebrated on June 5 with the theme "Land Restoration, Desertification, and Drought Resilience." Activities included tree plantation (100+ saplings), awareness rally, and slogan competition.

Convocation Ceremony 2025

Held on April 19, this proud moment saw graduates receive their degrees in the presence of esteemed guests and family. Inspirational speeches emphasized innovation and social responsibility.

CRYSTAL 2025: Annual Cultural Fest

CRYSTAL 2025 lit up the YTIET campus with vibrant performances, spirited competitions, and creative expression. Students from all departments came together in a celebration of art, culture, and community - making it a fest to remember.

## Industrial Visit

Students recently visited Vasai-Virar Municipal Corporation and Hiranandani Fortune City, Panshil. These industrial visits offered hands-on exposure to real-world operations, deepening their understanding of civic infrastructure and modern urban planning.

### NSS CAMP 2025

Over 50 volunteers spent 7 days in Karjat actively contributing to village development under the theme: "Youth for Cleanliness, Health, and Nation Building."

### Green Campus Alert

Held on April 19, this proud moment saw graduates receive their degrees in the presence of esteemed guests and family. Inspirational speeches emphasized innovation and social responsibility.

### A Grand Confluence Of Innovation

TechFest 2025 at YTIET brought together 500+ students from 50+ colleges across Maharashtra. From robotics to coding wars, the event buzzed with innovation. Winners were felicitated by IBM's Dr. Chandrashekhar Padole, marking it a landmark celebration of tech talent.

## Alumni Section

### Once YTIET, Always YTIET: Celebrating Our Trailblazers

We feel immense pride in the accomplishments of our YTIET alumni, who continue to shine in diverse professional spheres. Their journeys stand as a testament to the values and education instilled here - serving as both role models and torchbearers for current students.

This year, we celebrate not just their career milestones but also their continued connection with the institute through inspiring sessions, mentorship, and knowledge-sharing.

Their success stories are a reminder that while students may graduate from our classrooms, they never truly leave the YTIET family.

## Yadavrao Tasgaonkar Institute of Pharmacy Chronicle 2025

This annual edition captures the heartbeat of Yadavrao Tasgaonkar Institute of Pharmacy - a vibrant blend of innovation, academic excellence, and community spirit. From groundbreaking research and inspiring student achievements to engaging seminars and alumni connections, this year's journey reflects our collective growth. Dive into the pages ahead to relive proud moments, celebrate milestones, and get a glimpse of the bright future we're building together.

## Campus Buzz

### Seminars, Workshops & Activities Calendar (AY 2025-2026)

Our academic year is packed with knowledge-sharing sessions, interactive workshops, and transformative seminars - all designed to inspire and prepare our students for a dynamic future. Here's a glimpse at our specialized cells and their missions:

#### Entrepreneurship Development Cell

- **Faculty Coordinator: Pallavi Bangar**  
 The EDC nurtures entrepreneurial spirit by offering resources, mentorship, and networking opportunities. It aims to spark innovative thinking and empower students to build ventures that make a difference.

#### Research And Development Cell

- **Faculty Coordinator: Dolly Pardeshi**  
 The R&D Cell champions innovation by creating a research-conducive ecosystem that emphasizes practical problem-solving and encourages faculty-student collaboration.

#### Intellectual Property Rights (IPR)

- **Faculty Coordinator: Swati Pirdhankar**  
 This cell is dedicated to promoting awareness of intellectual property, protecting innovations, and inspiring creativity that leads to societal progress.

## Language And Communication

- **Faculty Coordinator: Priyanka Shirodkar**  
This initiative strengthens students' articulation and comprehension, essential for academic success and real-world interaction.

## Life Skill, Yoga & Meditation

- **Faculty Coordinator: Reema Singhla**  
A holistic approach to student well-being, this cell encourages self-awareness, stress relief, and emotional intelligence through yoga and mindfulness.

## ICT Cell

- **Faculty Coordinator: Priyanka Patil**  
Focused on digital transformation, this cell empowers students and faculty with IT skills essential for modern learning and productivity.

## Career Cell

- **Faculty Coordinator: Sonali Tambe**  
Career guidance, internship opportunities, and industry interaction are the pillars of this cell that helps students navigate their professional journey.

## Soft Skills Cell

- **Faculty Coordinator: Aarti Labhane**  
This cell enhances students' interpersonal abilities like teamwork, leadership, and communication to prepare them for the workplace.

## Alumni Cell

- **Faculty Coordinator: Rajeshwari Khairnar**  
Through seminars and interactive sessions, this cell bridges alumni with current students, leveraging their experience to inspire future professionals.

## Health Camp Cell

- **Faculty Coordinator: Jaya Yadav**  
Organizing outreach programs and camps, the Health Camp Cell raises awareness, screens health issues, and promotes well-being.

## MoU Activity

- **Faculty Coordinators: Dr. Babita More & Neha Tare**  
Driving academic-industry collaboration through MoUs, this team brings meaningful partnerships to enhance learning and growth.

## Achievements And Awards

**Institutional Milestone**

YTIP proudly received the India Elite Education & Institutional Excellence Award 2024 under the category "Excellence in Educational Standards Adaptability & Implementation."

## New Initiatives And Programs

MKCL Value-Added Course for Third-Year B. Pharmacy (AY 2025-2026)  
MKCL (Maharashtra Knowledge Corporation Limited) will empower students with essential digital and employability skills through certified training.  
**Objective:** To promote digital literacy, improve professional preparedness, and enhance entrepreneurship skills among students.

**Student Achievers**

A record-breaking 110 research papers were published by final-year students - setting a new benchmark for academic excellence at YTIP

### Creative Showcase

Avanti Kamble showcases her poetic flair and illustrations in the upcoming literary magazine.

## Professor Spotlight

### Scopus-Indexed Publication:

YTIP Principle Dr. Rupali Tasgaonkar, and degree staff members Ms. Pujya Vyavhare, Dr. Babita More published a research paper in African Journal of Biomedical Research (Vol. 27(4S), Nov 2024; 787-806)- titled:

### **"Exploring Pharmacokinetic Parameters Using Targeted Data Analytics"**

Their work stands as a beacon of academic excellence, inspiring students to delve into meaningful research.

## Events & Activities

**Farewell Party: 7 June 2025**

Hosted in YTIP's seminar hall, this emotional send-off for final-year students of B. Pharm and D. Pharm was filled with laughter, music, and memories that will last a lifetime.

**World Environment Day Seminar: 5 June 2025**

YTIP, in collaboration with premier scientific institutions, organized this impactful event to explore technological interventions for sustainability. From eliminating plastic pollution to environmental resilience, the seminar fused youthful energy and seasoned scientific thought.

**Convocation Ceremony 2025**

Held at Dr. Babasaheb Ambedkar Hall, the event celebrated the graduating classes of 2022-2023 and 2023-2024. Chief Guest Dr. Kushagra Patel emphasized the importance of innovation and service. Toppers received special recognition, and the joy of reunion filled the air.

## Alumni Section

### Alumni Seminars & Webinars:

#### "International Business Opportunities after B.Pharm"

By: Amit Date, MD, RemDcion Healthcare (5th March 2025)

#### "Career Navigation in Pharmacy"

By: Leena Attarde (19th March 2025)

#### "Maximizing Productivity: Time Management Strategies"

By: Sauvik Chaudhary (29th March 2025)

### Upcoming Event Announcements:

- **Freshers' Party:** Welcoming new students of AY 2025-2026
- **Induction Programme:** For orientation and introduction to campus life
- **Industrial Visit to BARC:** Hands-on exposure for final-year B. Pharmacy students

### Alumni Spotlights

#### Upcoming Alumni Meet: Scheduled for December 2025

An opportunity to reconnect, reminisce, and rekindle the spirit of YTIP.

"Let this year be one of growth, innovation, and connection. YTIP continues to empower its community with purpose and pride. Stay curious, stay inspired!"

## Yadavrao Tasgaonkar College Of Engineering & Management

From breakthroughs in classrooms to roaring victories on the sports field, Yadavrao Tasgaonkar College of Engineering & Management (YTCEM) continues to shape a new era of holistic excellence. This year's magazine is your front-row seat to the action - capturing the achievements, spirit, and stories that define us. Whether it's a project built with innovation, a dance performed with grace, or a placement earned with persistence, every page is a celebration of the YTCEM heartbeat.

## Mentors Who Inspire: Professor Spotlight

### Dr. Raju M. Sairise

Principal | EXTC | PhD

With expertise in Wireless Sensor Networks, Dr. Sairise brings decades of research and leadership to the institution. His portfolio boasts 20+ international journal publications, participation in 6 global conferences, and a legacy of nurturing innovation through 7 professional trainings. From leading as Conference Convener (2013, 2014, 2025) to guiding with humility - he's a true academic torchbearer.

### Dr. Swapnil Pundlik Barde

Vice Principal | MSc (Physics), PhD Pursuing

With a keen focus on Sustainable Energy, Dr. Barde has contributed to leading journals like the International Journal of Sustainable Energy. His drive toward energy-efficient solutions mirrors his role as a guiding light for the academic community.

## Mentors Who Inspire: Professor Spotlight

### Prof. Sameer Ganesh Patil

Assistant Professor | ME, PhD (Appeared)

Championing next-gen computing, Prof. Patil's research on DNA Data Storage and publications in IJFANS (International Journal of Food and Nutritional Sciences) reflect his cross-disciplinary curiosity, making him a favorite among curious minds and tech enthusiasts.

## College Achievements

Victory echoed through the fields as **Yadavrao Tasgaonkar College of Engineering & Management** clinched top honors at TGI Sports 2024, bringing home **championship trophies in both the Football Tournament and the Boys Championship Cup.**

A true celebration of perseverance and teamwork, this win stands as a shining example of what happens when passion meets performance. Kudos to our champions for turning dedication into triumph and inspiring the next wave of campus athletes!

## Placements & Top Performers

### Dream Jobs Begin Here

Meet our placement stars - turning hard work into professional success:

#### Sakshi Chavan

**Company:** Info Cloud

**Job Location:** Vidyavihar, Kurla

**Role:** Software Developer

#### Vedant Potdar

**Company:** Info Cloud

**Job Location:** Vidyavihar, Kurla

**Role:** Software Developer

#### Ajit Gawade

**Company:** Digitide Solution Limited

**Job Location:** Mumbai

**Role:** Customer Service (Tech Support)

#### Supriya More

**Company:** Digitide Solution Limited

**Job Location:** Mumbai

**Role:** Customer Service (Tech Support)

Their journeys prove that with the right skills and support, dreams do come true.

## Toppers Of 2024-25

From hard work to high scores, our 8th semester toppers lit up the academic leaderboard with distinction.

- **Computer Engg.:** Omkar Kajale - CGPA 7.92
- **IT:** Diksha Vishwakarma - CGPA 8.79
- **Mechanical:** Tripul Patil - CGPA 7.77
- **EXTC:** Aashish Deve - CGPA 8.00
- **Civil:** Samruddhi Marathe - CGPA 7.89

100+ Companies Visited With expanding industry connections, this year's placement drive opens even more doors for students across departments!

## Events that Shaped Us

### Laksh 2025: Chase the Goal!

From high-energy cricket matches to strategy-filled chess boards, Laksh 2025 wasn't just a sports fest - it was a celebration of unity and passion.

**Special Moment:** Dr. Nandkumar Tasgaonkar Sir joined the cricket match - proving that leadership also means playing alongside your team!  
**"A Leader Who Plays Every Role with Passion"**

Dr. Nandkumar Tsagoankar Sir, our honorable Chairman, engaging in a friendly game of cricket during the college sports event - showing us that true leaders participate, inspire, and uplift every moment.

### Voices From The Field:

**"It was amazing to see our Chairman join in! It really pumped everyone up. This Sports Day felt truly special."** - Kushal Chudhari [Class - FE]

**"Every event was exciting, from the field games to the intense chess matches. It brought out the best in everyone."** - Ruchita Kambale [Class- SE-IT]

## Traditional Day & Gang Day

The campus came alive with colorful attire, group dances, and ramp walks! Our Principal and staff applauded every performance - proving that academics and culture go hand in hand.

## Tarang & Women's Day Highlights

Tarang 2025 was a spectacular blend of music, dance, and student-led brilliance. From soulful vocals to electrifying group numbers, the auditorium pulsed with energy and applause.

Tarang 2025 – Where Talent Takes The Stage

"Grace in every step, melody in every voice - Tarang's cultural spirit lit up the stage."

"Proud moments of recognition as academic stars received their accolades."

## Women's Day Celebration

Celebrated with heartfelt gestures and warm wishes, Women's Day recognized the incredible contributions of our female students and staff. Male colleagues joined in, turning the event into a shared celebration of strength and respect.

## Closing Words

YTCEM stands not just as an institute, but as a movement - where knowledge meets vision, and potential finds purpose. Each story you've read is a reflection of what happens when students are supported, professors are passionate, and leadership walks with its people. Here's to another year of rising higher, together.

## Yadavrao Tasgaonkar Polytechnic - Chronicle 2025

### "Shaping Minds. Celebrating Milestones."

As the academic year unfolds, so does the vibrant tapestry of life at Yadavrao Tasgaonkar Polytechnic. This magazine is more than just a record - it's a celebration of our collective spirit, resilience, and relentless pursuit of excellence. From rising academic stars and groundbreaking innovations to unforgettable events and inspiring faculty, every page reflects the heart of our campus.

We invite you to flip through this year's edition not just to read, but to relive moments, discover achievements, and feel the pulse of a community that's always moving forward with purpose and pride.

## Campus Beat: A Year Full Of Moments

At YTIET, each month hums with vibrant energy. From national celebrations to student-driven events, 2025-2026 unfolded with color, culture, and connection.

### Upcoming Celebrations - Mark the Dates!

Mark your calendars - the second half of 2025 is already buzzing with excitement:

- **Freshers' Party & Induction Day – 20th August 2025**  
Welcoming new beginnings with music, laughter, and unforgettable memories!
- **Dahi Handi Celebration – 14th August 2025**  
A spirited tribute to tradition and teamwork.
- **Independence Day – 15th August 2025**  
A patriotic showcase of unity and respect.
- **Ganpati Festival – 27th August 2025**  
Cultural grandeur meets devotional joy.
- **Teacher's Day Celebration – 4th September 2025**  
Heartfelt tributes to the guiding lights of YTIET.

## Stars of the Semester: Academic Champions

Celebrating the shining minds who aced the MSBTE Winter 2024 Exams across all departments: Here's a standing ovation for the ones who shone brightest:

### Civil Engineering

FY: Sahil Mali

Yogesh Patil  
TY - Mechanical

A special shoutout to **Vedant Patil**, **Yash Badhe**, and **Yogesh Patil** for securing admission into **MANET Pune's B.E. Naval Engineering Program** a wave of pride for YTP!

### Next-Gen Infrastructure

A Glimpse Into the FutureAs our students climb academic heights, YTP ensures the foundation stays strong and forward-thinking.

Facilitation Center (FC)

A newly inaugurated student help desk that guides aspirants through the MSBTE CAP admission process with clarity and care.

IT Computer Centre

A state-of-the-art lab equipped with modern hardware and software to empower students in coding, design, and hands-on tech learning.

## Student Spotlight: Talent on the Rise

**Kiran Pawar**

Winner at the Zonal Level Javelin Throw (IEDSSA Sports)

From javelin throws to smart sticks, our students aren't just dreaming big they're doing big.

**Vedant Thorve and Sanchit Badekar**

Quiz Master Minds: Vedant Thorve and Sanchit Badekar secured 2nd place in the State-Level Technical Quiz at Pillai HOC Polytechnic, Rasayani.

## Faculty Spotlight: Pillars of Progress

Behind every achiever is a mentor - and our faculty stand tall as guides, researchers, and role models.

### Department Heads

- **Computer:** Mrs. Sayali Atkar
- **Information Tech:** Mrs. Prashali Kamble
- **Mechanical:** Mr. Aditya Saraf
- **Electrical:** Ms. Shital Salve
- **Civil:** Ms. Snehal Sonavale

## Pulse Of The Campus

### • IDESSA Sports

The Inter Engineering Diploma Students Sports Association (IDESSA) is a premier platform for young athletes to showcase their skills, compete with pride, and earn recognition for their talent and teamwork.

- **CRYSTAL 2025 :** A cultural carnival of music, dance, and drama that brought every department together in a burst of joy.

## What's Coming Up? Mark the Dates!

Get ready to unlock your potential - competitions are just around the corner!

- **Quiz Competition:** Team up, think fast, and answer smarter – knowledge meets adrenaline!
- **Poster Design Challenge:** Turn your vision into visuals that speak louder than words.
- **Paper Presentation:** Showcase your research, pitch ideas, and learn through sharing.
- **Coding Competition:** Race against time to solve real-world problems using code.

## Sau. Vandana Tasgaonkar College Of Nursing

### "Care. Commit. Celebrate."

Welcome to Chronicle 2025-26, a reflection of the passion, dedication, and spirit that define Sau. Vandana Tasgaonkar College of Nursing.

In these pages, we celebrate more than just events - we celebrate the values that shape every nurse we nurture: care with intention, commitment with courage, and celebration with purpose. From health awareness drives to inspiring guest lectures and cultural showcases, this year has been a vibrant journey of learning, leading, and healing.

## World Health Day 2025

### April 7 - A Celebration of Health and Hope

On April 7th, the SVTCN family came together to celebrate World Health Day under the vibrant theme "Healthy Beginnings, Hopeful Future."

Our students showcased their creativity and compassion through a Rangoli Competition, blending colors and messages that spoke to the harmony between health, awareness, and art. The designs faded, but their message stayed - health begins at the roots, and hope is its brightest bloom.

### Did You Know?

The WHO has been celebrating World Health Day since 1950! This year's focus on early-life care emphasizes prevention as the foundation for lifelong wellness.

## International Nurses Day 2025

### May 14 - Honoring Hearts that Heal

In a heartfelt gathering at our college auditorium, we commemorated International Nurses Day with pride and gratitude. The event celebrated the legacy of Florence Nightingale and honored the selfless dedication of nurses worldwide.

Principal **Dr. Pinakin Kavdi** delivered a deeply inspiring message to the student body. The day concluded with a prize distribution ceremony and a spirited cultural performance by our students - a tribute to the soul of nursing.

Under the theme **“Our Nurses. Our Future. Caring for Nurses Strengthens Economies,”** the event was graced by Dr. Vinayak Sabnis (Dean, NYTIMS) and Mr. Parag Ola (CEO, SES).

#### Did You Know?

Florence Nightingale reduced the death rate during the Crimean War from 42% to 2% - revolutionizing modern nursing with compassion and science.

## Guest Lecture: Parkinson's Awareness

### May 16 - Empowering Nurses, Enlightening Minds

On May 16th, SVTCN hosted an eye-opening guest lecture on Parkinson's Disease, led by **Dr. Anjum Tadwi**, Neuro Physiotherapist, and her team from PDMDS.

The session covered everything from early symptoms to patient care strategies - with a strong focus on how **nurses can improve patient independence and dignity** through attentive care. It wasn't just theory; it was knowledge that translates directly into **real-world compassion.**

#### Did You Know?

Over 10 million people worldwide live with Parkinson's. With the right care, their quality of life can significantly improve - and nurses play a key role.

## Upcoming Health Awareness Events

### A Calendar Full of Care

The coming months are packed with powerful campaigns aimed at awareness, prevention, and education. Here's what to look forward to at SVTCN:

- **6 Aug - Breastfeeding Week**  
Poster exhibition & skits promoting maternal and infant health.
- **29 Sept - World Heart Day**  
Time to raise awareness for heart health and preventive care.

## Upcoming Health Awareness Events

- **10 Oct - Mental Health Day**  
Prioritizing emotional wellness through open dialogue.
- **15 Oct - Global Handwashing Day**  
Simple actions, massive impact. Promoting hygiene as prevention.
- **20 Nov - Breast Cancer Awareness Month**  
Information drives and awareness on early detection and support.
- **14 Nov - World Diabetes Day**  
From sugar to strength – education is prevention.
- **1 Dec - World AIDS Day**  
Fostering understanding, inclusion, and global solidarity.

## From the Editorial Team

**To the future nurses of India**

**You are more than caregivers.**

**You are the pulse of healing, the voice of comfort, and the light in someone's darkest hour.**

Let this academic year be filled with **bold learning, fearless compassion, and unforgettable stories** - because the world doesn't just need nurses, it needs **nurses like you.**

## Sau. Vandana N. Tasgaonkar Ayurved Mahavidyalaya And Research Centre - Chronicle 2025

**“Rooted in Ayurveda, Rising Through Knowledge”**

At VNTAMV, every year begins not just with academic sessions, but with a renewed commitment to nurturing holistic healers, critical thinkers, and culturally rooted professionals. The 2025 Chronicle brings you highlights from a year where knowledge met compassion, and learning extended beyond textbooks - into experiences that shaped futures.

## Campus Buzz

### Welcoming Traditions, Timeless Values

The academic year began on a high note! On 10th December 2024, the Induction Program welcomed our new B.A.M.S. batch. With inspiring addresses by **Hon. Chairman Dr. Nandkumar Tasgaonkar, Dean Dr. Sabnis, and Dr. Sanjay Chhajed**, the stage was set for a transformative journey.

## An Oath to Serve

On 28th December, the Oath Ceremony honored the sacred responsibility of Ayurvedic healing. **Dr. Subhash Jain** not only spoke about dedication but also demonstrated real-world applications igniting the spirit of service in every student.

## Blood Donors Day A Pledge to Save Lives

Celebrated on 14th June 2025, our Blood Donors Day saw students step up for a noble cause. A donation network was established to support emergency cases - making social responsibility a lived experience.

### Did You Know?

Over 70+ students signed up as emergency blood donors - a proud step in community health service.

## Culture Meets Care

**Freshers' Day: Talent Unleashed!**

16th June 2025 burst into color and cheer as students showcased their flair through dance, ramp walks, and fun-filled games. Judges Mrs. Varsha Kashid, Dr. Garje, and Dr. Vishal Ganar crowned our Mr. & Ms. Fresher, applauding every spark of potential.

**Celebrating Words On International Readers Day**

On 19th June, students participated in a Shloka Search Competition, diving deep into classical texts. Winners were appreciated for their grasp on Ayurveda's rich oral and written legacy.

**Yoga For All**

Marking the 11th International Yoga Day on 21st June, students, staff, and hospital patients came together to practice wellness. The event was not just about flexibility but about focus, balance, and unity.

### Spotlight On

Freshers Day saw participation from over 150 students - setting a new campus milestone!

## Students In Action

### • Clinical Minds in the Making

Starting July 2025, Clinical Meetings are helping students bridge theory with practice. By engaging with case-based discussions, students are learning to think like true Vaidyas.

### • Culture Week Coming Soon

November 2025 promises vibrant performances, thought-provoking plays, and cultural richness. Watch this space as students prepare to shine beyond the classroom.

### • Sports Week Incoming!

January 2026 will bring out the champions in our students! With a mix of outdoor and indoor games, the week will celebrate health, teamwork, and fun.

### • Research Starts Here

The Kriya Sharir Department is leading the charge by launching research projects for all First Year B.A.M.S. students - encouraging scientific inquiry from day one.

### Coming Up

8+ inter-department projects are in motion - with students contributing as co-researchers!

## Faculty Focus

### • Training the Trainers

To sharpen pedagogy, faculty training programs from July 2025 will focus on updated teaching techniques, technology integration, and active learning strategies.

### • Research on the Rise

Following the directive of the National Commission for Indian System of Medicine, each teacher is undertaking 3 original research papers - ensuring VNTAMV's voice resonates in scholarly journals.

### Faculty Facts

This academic year will see over **15+ research papers** authored by our faculty redefining Ayurvedic scholarship.

## Closing Note

From the first shloka chanted in class to the last goal scored on the field, **VNTAMV stands as a beacon of holistic education.** Our year has been a blend of culture, compassion, and academic pursuit - shaping the future of Ayurveda with every student that walks these halls.

**Here's to another chapter of growth, gratitude, and greatness.**

## N. Y. Tasgaonkar College of Physiotherapy Chronicle 2025

### “Healing with Knowledge. Growing Through Practice.”

At Dr. N. Y. Tasgaonkar College of Physiotherapy (NYTCP), every year unfolds new chapters of excellence - in classrooms, clinics, and community service. As we reflect on the milestones of the past months, we also gear up for a year driven by clinical mastery, academic growth, and compassionate care. NYTCP Chronicle 2025 brings you the highlights of what makes our journey extraordinary.

## Campus Updates & College Buzz

The new academic session began with renewed energy and a roadmap filled with innovation and purpose. NYTCP continues to blend clinical rigor with holistic development, empowering students to become future-ready physiotherapists.

### Upcoming Highlights

#### A glimpse into the vibrant events planned ahead:

- **Clinical Case Series**  
A week-long interactive knowledge exchange featuring real-world case studies.
- **World Physiotherapy Day**  
To be celebrated with wellness drives, patient outreach, and expert panels.
- **Poster Presentation Contest**  
Where research meets creative storytelling in health education.
- **Yoga & Wellness Week**  
A student-led initiative combining movement, breathwork, and mindfulness.

### New Academic Collaborations

NYTCP is launching a Student Exchange Module with top health institutions to provide hands-on learning experiences.

## Student Spotlight

### Toppers of Winter 2024

Academic brilliance lighting the way forward:

• 1st Year - Ansari Alfiya • 2nd Year - Sanjana Mhatre • 3rd Year - Mansi Kamble

### • TGI Sports Fest 2025 - Spirit, Strength & Sportsmanship

Hosted by the Tasgaonkar Group of Institutes, this intercollegiate sports fest united students across streams in a display of energy and camaraderie. From volleyball smashes to chess checkmates- it was a celebration of agility, focus, and teamwork.

### • Grand Case Presentation – 05 June 2025

NYTCP students presented clinical cases with impressive precision and empathy. The session demonstrated critical thinking, practical application, and collaborative learning in action.

#### Student Spotlight

Shivani Koli was honored as the Best Female Athlete of TGI Sports Fest 2025.

## Faculty Spotlight & Collaborations

Academic Excellence Meets Social Commitment

A proud moment for NYTCP as an MoU was signed with a Special School to facilitate inclusive education and collaborative clinical training. This partnership allows students to gain hands-on experience working with children with special needs - building both competence and compassion.

### Training the Trainers – Faculty Development Program

On 27th January 2025, Dr. Ajit Dabholkar conducted an interactive workshop for NYTCP faculty. With a focus on teaching innovations, digital integration, and student-centric pedagogy, it sparked fresh momentum in academic delivery.

#### Did You Know?

In May 2025, three new faculty research papers were accepted into UGC CARE-listed journals, reinforcing NYTCP's academic excellence.

## Events, Lectures & Celebrations

Guest Lecture on Emotional Intelligence – 02 May 2025

Delivered by Mr. Raghvan Koli, the talk explored the role of emotional awareness and regulation in healthcare, emphasizing its importance for future therapists in high-pressure environments.

Parkinson's Awareness Training - 08 May 2025

Led by Dr. Anjum Tadvi (MPT Neuro), the session covered early diagnosis, therapeutic intervention, and caregiver engagement. Students gained hands-on knowledge in managing complex neurological conditions.

MUHS Foundation Day 10 June 2025

The college marked the occasion with academic exhibits, interactive demos, and spirited student involvement - reaffirming NYTCP's commitment to its parent university.

### National Reading Day & Saraswati Poojan

A moment of reflection and reverence as students engaged with spiritual texts, shared excerpts, and honored the goddess of wisdom in a serene, knowledge-filled environment.

**Upcoming: Student Debate Championship**  
August 2025 - Topic: "Technology vs. Human Touch in Therapy"
